CS 174 / SE 174
Web Programming

Spring Semester 2015

Department of Computer Science
San José State University
Instructor: Ron Mak

Assignment #6

Assigned: Wednesday, Oct. 28
Due: Friday, Nov. 6 at 11:59 pm
Team assignment, 100 points max

jQuery and jQuery UI

Add jQuery and jQuery UI widgets to your web application. Use a jQuery theme.

Extra credit

Create (or modify) a theme. [Up to 10 points.]

What to turn in

Create a zip file named after your team (e.g., `supercoders.zip`) containing:

- Your .html, .js, .css, and .php files.
- Output from the mysqldump command or the phpMyAdmin Export tab.
- Screenshots of your web pages.

Email to ron.mak@sjsu.edu with the subject line:

> **CS 174-***section* **Assignment #6** *team name*

CC all team members.
