Introduction to Machine Learning with Applications in Information Security, 2nd edition

Errata

November 24, 2024

1. Page 203, problem 6.2, part b): There is no C_{30} in Table 6.3. Change C_{30} to C_{21}.
2. Page 278, 3rd line below equation (9.3): Change *descent* to *ascent*. In the original formulation, the problem was a min-max, but after the modification in (9.3), the min is now also a max.
3. Page 299, problem 9.9: Note that at each step of the Metropolis algorithm, a new random number u is generated.
